## Pre-MBA Booster (Optional)

---

For those who want to strengthen their foundation and quantitative skills in anticipation of the intense and demanding academic journey ahead, there are many free resources you can access, such as:

- [Excel Skills for Business](#) on Coursera
- [Pre-MBA Courses](#) on EdX
- [Financial Modelling with Eric Andrews](#) on YouTube
- [PowerPoint training](#) by Microsoft

You can also consider doing

- [GMAC Business Fundamentals](#) for a fee

These will help those who may not be proficient in essential skills required for your MBA (Accounting, Finance, Excel and PowerPoint), and enable you to get a head start.

# End Note On Today's Session

- A quick overview & highlight of the programme
- More details are available on
  - Student Handbook
  - MBA Student Portal
- Pay attention to emails from the MBA Programmes Office throughout your candidature.
- Separate briefings would be called along the way, at more appropriate time, e.g.
  - Course registration
  - Exchange programmes
  - Experiential learning – e.g. consulting project, credit-bearing internship
  - NUS MBA – Yale MAM double degree
  - Etc.

*Our team is lean. We will strive our best to answer your questions as quickly as we can and do our best to support your MBA journey. However, please be patient when we need to take more time. We care for the wellness of our students, as well as that of our staff. Your respect for their personal time is very much appreciated.*

*- Thank You!
