As an admission condition, all incoming students (excluding non-graduating students and continuing & professional education students) are required to undergo a medical examination. The University reserves the right to refuse admission to or exclude a student from any particular course of study if he/she declines to undergo the health examinations or refuse any prescribed tests.

If you choose to be screened by your own medical practitioner, please submit to UHC satisfactory proof of such screening and immunization (where necessary).

Please refer to the [UHC website](#) for more information about the pre-admission medical examination.
