

THE NUS PART-TIME MBA

AT A GLANCE

One intake every August

3 classes per week

24 or 30 months duration

Customise your path with electives and specialisations

Access global exchange programs and international study trips

Advance your Career without pressing pause

The NUS Part-time MBA is designed for working professionals who want to accelerate growth, pivot strategically, or broaden their global outlook — all while continuing in their careers.

One MBA, Same Impact

Whether full-time or part-time, you'll benefit from the same world-class curriculum, resources, opportunities, and career support. Part-time graduates earn the same NUS MBA degree as full-time students, with no distinction in recognition or value.

Flexibility that Works

Shape your MBA around your goals and schedule. Balance work, life, and learning with evening and weekend classes – while still making time for overseas and experiential learning opportunities.

Choose Your Pace

Complete the program in 24 or 30 months. Progress at a pace that fits your career and commitments.

Customisable & Career-Relevant

Access the same customisation as full-time MBA students. Choose from 50+ electives to broaden your learning or build up to two specialisations aligned with your goals.

A Transformative Learning Experience

Learn from world-class faculty, tackle real-world challenges, and sharpen your leadership edge. From case-based learning to cross-disciplinary projects, you'll gain the insights to lead in dynamic business environments.

A Global, Collaborative Community

Join a diverse, ambitious community from across industries and countries. Learn alongside classmates from both full-time and part-time tracks, expand your network, and grow through cultural exchange in class, at events, and on global study trips.
